0.1 Regression

0.1.1 RDD

- Regression Discontinuity Design utilizes a cutoff point where an intervention is assigned. See:

  - Roberts and Whited Section 5
    * open "/Users/cangyuanli/Documents/College/Classes/Spring 2021/FIN 725/Texts/Roberts and Whited.pdf"
  - RDD Lecture
    * open "Users/cangyuanli/Documents/College/Classes/Spring 2021/FIN 725/Lecture 5- RDD.pdf"

  Features

  - Assignment to treatment and control groups is not random.
